No. 18-238, WC Docket No. 11-10

Dear Ms. Dortch:

On March 22, 2019, I met with Chairman Ajit Pai. During the meeting, I thanked him for the Commission’s efforts resolving pending petitions for reconsideration in the above referenced TV White Spaces Dockets and for issuing an order in the database accuracy proceeding. I also asked that the Commission propose the rule changes described in detail in Microsoft’s ex parte filing dated October 2, 2018.¹ Finally, I discussed with Chairman Pai ways that the Commission can improve upon its collection of data related to broadband deployment.

Pursuant to the FCC’s rules, I have filed a copy of this notice electronically in the above-referenced dockets. Please contact me if you require any additional information.

Sincerely,

/s/ Robert M. McDowell
